

Cover plugs

for cable entry frames & plates

REACH
COMPLIANCE

RoHS
compliant

The openings at the fastening points of the cable entry frames can be closed with the cover plugs.

There are two versions: One version to cover the openings when using threaded bushings, one to cover the screws. The cover plugs can be used with the products of the KEL series.

The cover plugs can also be used with the products of the KEL-DPZ series. They are available in black and grey.

When fastening from the rear using a threaded bushing, an opening is created at the front at the fastening points. These can be closed with the cover plugs A in black (Order No. 99142).

When fastening from the front by means of screws, the openings at the screw heads can be closed with the cover plugs B in black (order no. 99200). The cover plugs can only be used for M5 DIN 912 screws.

When fastening from the front by means of screws, the openings at the screw heads can be closed with the cover plugs B in black (order no. 99200) or cover plugs C in grey (order no. 99201). The cover plugs can only be used for M5 DIN 912 screws.

Specifications

Material	Polyethylene
Operating temperature	0 C° to 70 C°
Properties	higher chemical resistance

Advantages & Benefits

- Simple closing of the openings at the fastening points of the KEL / KEL-DPZ
- Smooth finish on the frame surface
- No dirt recesses

Product Types & Sizes

Cover plug A

Part No.	99142
EAN	
Package	100
quantity	
Height	4 mm
Color	black
Cover plug	A
type	
Suitable for	KEL-ER /
cable entry	KEL-U / KEL /
systems:	KEL-QUICK /
	KEL 183 /
	KEL-FL

Cover plug B

Part No.	99200
EAN	4251269324
Package quantity	208
Height	3 mm
Color	black
Cover plug type	B
Suitable for cable entry systems:	KEL-ER / KEL-U / KEL / KEL-QUICK / KEL 183 / KEL-FL / KEL-DPZ

Cover plug C

Part No.	99201
EAN	4251269324
Package quantity	215
Height	3 mm
Color	gray (similar RAL 7035)
Cover plug type	C
Suitable for cable entry systems:	KEL-DPZ
